Summer Learning Camp Registration 2021

Parents/Guardians,

Fayette County Public Schools (FCPS) has overcome unprecedented challenges to deliver quality learning experiences to students. Despite these diligent efforts, COVID-19 has caused significant disruptions to learning experiences for children during the 2019–2020 and 2020–2021 school years. Students have been quarantined, teachers have been quarantined, and students have cycled through virtual and hybrid schedules as well as school closures. These challenges have resulted in a lack of continuous instruction that is predicted to impact some students significantly.

As a result, additional summer learning opportunities will be available four days per week for four weeks to accelerate students' educational growth and ensure that all children have the opportunity to reach their goals and dreams. The Tennessee State Department has partnered with districts to address learning loss and bridge learning gaps in reading and math. FCPS will offer academic learning for grades K-12 that will include reading and math instruction and intervention. For grades 9-12, ACT prep in reading and math will be the focus to prepare our students for college and career readiness.

FCPS will provide transportation for all participating students. Students will have the opportunity to be a car rider as well. Students will be provided breakfast, lunch, snack, and physical activity each day. Student performance will be tracked and monitored as well as student attendance. All sites will continue to follow COVID-19 protocols such as staying home when you are sick, wearing your mask, practicing social distancing, and washing your hands frequently. This is a great opportunity for students to be engaged in structured academic learning this summer.

Attached you will find a registration form that must be returned to your child's current teacher by April 16, 2021.

Overall Information

June 7-July 2

8:00 AM - 2:00 PM

Monday - Thursday

**Specific summer learning camp sites will be determined soon. Stay tuned.*
